

# LITTLE COMPOSER

1. Roll the **Time Signature Die** and write it in the orange box.

How many counts are in each measure? \_\_\_\_\_

What kind of note gets one beat? Quarter note Eighth Note Half Note

2. Now, use your choice of **rhythm dice** to fill in each box with the correct amount of beats.

Hint: it is easiest to use the quarter-note rhythm die. If you rolled 4/4 time you could easily use the 4-beat die, 3/4 time the 3-beat die, and 2/4 time the 2-beat die.

3. After you have filled out your measures, clap and count your made-up rhythm.

4. Now, roll the **dynamics die** and clap and count with the correct dynamics.

5. Roll the dynamics die for each measure and clap the rhythm with the correct dynamics.
