

TIC TAC TOE

Materials: 2 brown notes dice , 9 game pieces for each player and a Tic Tac Toe board for each player

Players: 2-10

How to play: Each player takes turn rolling the two rhythm dice. If someone has the combination of rhythms on their board they cover it with a game piece (even if they didn't roll the dice). First player with 3 in a row wins. Winner claps the rhythm of the 3-in-a-row squares.

Variation: play with only two players on one board. Player only covers the rhythm if they rolled it.
