

# Minuet No. 3

By J.S. Bach

I l-ike playing v-iolin. It s-its underneath my chin. It sounds very nice, when my bow stays right on the high-way.

My so-und can be loud, o-r it is soft when near the fingerboard too. I-t can keep getting louder or softer again. Sometimes I can, whisper if I, stay way up clo-se to the tip.

I-i like to make my violin s-ing all day long.
